

Are you the next Farming and Countryside Education Award Winner?

The Bayer FACE awards are a wonderful opportunity to celebrate the great work that farmers and social enterprises are doing to make the farming and countryside environment a meaningful learning experience for all ages and abilities.

If you, or someone you know or work with, is outstanding in this respect and deserves to be recognised for all the work put into promoting access to the countryside, championing farming careers or working with schools, then please consider applying for an award!
